- Last 2 lines: By now I'd be
A millionaire.

The Hair Fairy

I'm going bald
And it's not fair
Where, oh where
Is the Fairy of Hair?

When I was young
And a tooth fell out
You didn't hear me
Weep or shout

For the Tooth Fairy
Would come to my aid
When fast asleep
I'd be well paid

If I got a pound
For each fallen hair
By now I'd be
A millionaire.

Roger McGough
