

Earth Pledge

Earth is my home
I promise to keep it
clean and healthy

I will love the land, the air, the
water
And all living creatures

I will help save Earth

My name is _____
And this is my Earth pledge.

<http://www.youtube.com/watch?v=sQIzoLURI2g>

Earth

- ◆ Earth is 4,6 billion years old.
- ◆ Earth is not perfectly round.
- ◆ There are 50 earthquakes every day.
- ◆ The Nile is the longest river in the world.

Environment

When we talk about the environment we mean everything in the world around us that surrounds and affects all life on earth.

The five basic needs of human beings from the environment are *oxygen, water, food, shelter and warmth.*

Your Environment

- Tick the box, which you feel is a good indicator of the environment of your neighbourhood.

<i>Scale</i>	<i>1-bad</i>	<i>2</i>	<i>3-fair</i>	<i>4</i>	<i>5-good</i>
<i>Appearance</i>					

Environmental Problems

Deforestation

Pollution

Global warming

Littering

CUTTING DOWN RAINFORESTS

- There is a rainforest in Indonesia, and there are plans to chop down a large section of these trees. Below are some reasons why people might be in favour of this happening and reasons why people might be against this happening.

- <http://www.youtube.com/watch?v=aQpjPgJquDY>

What's your solution to the problem?

- 1. Buy recycled products.**
- 2. Buy only from companies that have a commitment to reducing deforestation.**
- 3. Help plant trees, whenever possible.**

Come up with three new laws and three new punishments, in order to protect your town's environment.

LAW

- *Every home should turn off all their lights, when they go out.*

Punishment

- *If the law is broken, that household will not be able to watch TV for a week.*

LAW

- *If you waste water by showering for too long or leaving the tap on while brushing your teeth.*

Punishment

- *If the law is broken, you will not be able to drink any soft drinks for a week.*

Don't

- Use paper towels, paper napkins, and facial tissues.

Instead

- Use cloth towels, cloth napkins, and handkerchiefs□ .

- **Going green** means that you do things to help keep our Earth clean, fresh and healthy. Some things that you could do are :
- **Reduce** – *for example turn off the lights when you leave the room or turn off the tap when you are washing your hands, so that you don't waste water.*

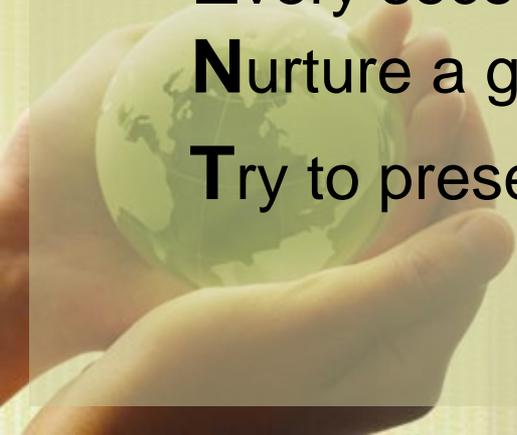

Poverty

- There are many ways in which a person can help fight poverty. You could donate to a charity or even join a charity and give a helping hand. Some people like to do their own charitable work and will often buy a meal for someone in need. One could also give away clothes that are too small.

An Acrostic Poem

- **E**veryone should care
No one should litter
Vital and green
Inviting and teeming with life
Respect everyone and thing
Ownership of our actions
Never forget our duty to earth
Mind our responsibility
Every second on earth is wonderful
Nurture a green future for our children
Try to preserve Mother Nature's gift to us all

IDIOMS

- Choose the correct idiom

- *The man is always **hard up** for money and he often wants to borrow some.*
- *My new television was so expensive, it _____*
- *My friend has been living from _____ and is now using his savings from his previous job.*
- *The man had no money and was willing to work for _____.*

How can you help to end illiteracy?

Donate all your old books to charity.

Volunteer and join a reading group.

Start a fundraiser and collect books.

Help families from low-income groups.
